## Friends of the Orillia Public Library

---

**We are a not-for-profit organization, incorporated in 1993 which supports the Library through advocacy, fundraising & volunteerism.**

Becoming a Friend of the Library means helping make a difference in the services and programs offered by the Library. By contributing funds through Bookstore sales and other activities, the Friends of the Library helps fund programs and activities not funded from the Library's operating budget but which support and enhance the role of the Library in the community.

## What we do:

---

- Promote & support the Library in the community
- Support special programs & events
- Sponsor new programs & activities at the Library
- Raise funds for programs, services & materials that supplement those offered under the Library operating budget
- Administer donations, gifts, legacies and bequests
- Provide volunteer support

## The Library Bookstore

The Library Bookstore is an important initiative of the Friends. We are always looking for donations of clean, current books, fiction and non-fiction, books about gardening, cooking, decorating, art and history.

Consider volunteering an hour or two a week to help staff the Bookstore. It's a great way to meet new people, chat with Library members and support our activities.
