

Web Rally, by the Orillia Public Library

1. I grew the biggest pumpkin this year. It weighs 700 kg. My friend in New York says it weighs _____ lbs. My cousin in Australia says it weighs _____ stone. We are all correct. How many ounces is the 15 gram piece I cut for my dog to eat?
2. Go to the website WEAVESILK.COM. Draw a peace sign . What does your creation look like to you?
3. If you need to fix your broken back-up generator, what Orillia Public Library digital resource could you use?
4. Humans have unique fingerprints, and many other primates also have fingertips with distinct ridges. What animal has fingerprints that are almost indistinguishable from humans?
5. Are you curious about what happens when you respond to spam mail? Ted has a talk for that. Who narrates this hilarious talk?
6. Look up “toe nail” on Wikipedia. Where else do we find the protein that is in human finger and toe nails?
7. How many life cycles does a monarch butterfly have? What is the third cycle?
8. In the YouTube video of Pharrell Williams’ “Happy” (the “official” video), how many dancing Minions are there in total?
9. When looking at Vincent van Gogh’s painting, “The Starry Night”, how many orbs can you count in the sky? When was it painted?
10. What are 2 main ingredient differences between Béarnaise and Hollandaise sauces?

11. What is the shortest time it could take you to fly on an airplane from Toronto, Canada to Timbuktu, Mali?
12. On what date did Babe Ruth hit his 700th home run? How much did Babe Ruth pay a fan for the return of his 700th home run baseball?
13. You might have heard that you can drink water from a cactus if you are lost in the desert today. Is this true? Why or why not? Name the 2 cacti that are safe to eat.
14. If you weigh 150 lbs on Earth, how much would you weigh on Mars?
15. Go to the website OCEARCH.ORG. Tell me the name of a sea creature that is in the Gulf of Mexico.
