

## Battle of the Books

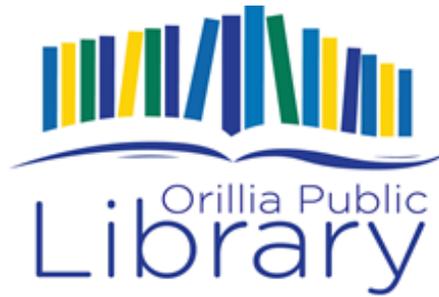

Join our annual Bibliophile show-down with this school event!

Each year, a list of **100 books** is curated by the Library at the beginning of the school year.

Students in **Grades 4 to 8** form school teams led by a school staff member. These teams read with the aim to compete in May, when they gather at the Library for a day-long trivia-type tournament.

The Battle of the Books is a celebration of the love of reading. The team members enjoy a pizza lunch, prizes, and vie for the coveted trophy to take back to their school with pride.

Check our website for the current booklist!
